

## Batting Cage Loan Conditions

The Batting cage and any other ancillary equipment supplied always remains the property of the TBAWA. No booking is confirmed until a **Batting Cage Agreement form** is completed and signed by a club and also signed by an authorized TBAWA representative.

This form can be download from the front page of the TBAWA website, [www.tbawa.org.au](http://www.tbawa.org.au)

**Generally** there are no charges for the use of the equipment, unless the TBAWA official is required to help set up or pack up. Or any special ancillary equipment such as generators are required.

The loan period is generally FOUR hours however if bookings are not too heavy full day bookings are available.

**Any authorization or permits for erecting the cages at a shopping centres or parks is the responsibility of the club. Public Liability insurance is the responsibility of the club.**

A TBAWA representative shall be responsible for delivery and collection of the property on the date and at the time specified on the Loan Agreement form. (*This is subject to any condition beyond the control of TBAWA*)

**The Club shall be responsible for set up and pack away of the equipment.** (*under the supervision of the TBAWA official*) **A minimum of two adult club members are required. As the units have to be lifted in and out of a trailer and the double cage can weigh up to 200kg it is recommended two healthy gents are made available.**

The Club shall be responsible for operating the property during the term of the loan.

The Club shall be responsible for maintaining the property in good condition during the loan period.

The Club shall be responsible for any cost incurred by way of damage or loss of the property during the loan period.

The Club agrees to only use the Bats and Balls supplied by TBAWA in the cages.

The Club must have adults supervising the use of the property for the duration of the loan period.

**Children or adults are not allowed inside the cages**
